“6B41” EXHIBITION

"Many children live in the hope of growing up and breaking free."
But an individual who grows up controlled by violence is ill-adapted to adulthood.

A series of works that explore the themes of trauma, triggers and aggression. Weapons, as the most striking artifact of war, are a symbol of the external and internal daily struggle.

Joint exhibition Lyu Chirkova, Alisa Cayo
Object Community Gallery, Tbilisi, Georgia, 2023

“DYNAMITE” / Sculpture

45 x 30 cm
